## Summer 2020 Turnover Time

Following the June Election, Sam Ward, on the left, passes the NSLPACSW Presidency to Bruce Renne. Bruce had previously been the Vice President. Sam concludes an eight year run as the President, making for a Chapter Record. We all applaud and thank Sam for his very significant efforts and achievements on behalf of the Naval Submarine League.

On the left is CMDCM(SS) is Jeff Hiscocks, the Command Master Chief for SUBRON ELEVEN. He is turning over to CMDCM (SS) Nick Green, the oncoming Command Master Chief. In this position, he will be the 2nd Vice President for the NSLPACSW Chapter.

Master Chief Green is coming from being the COB on USS SCRANTON and Master Chief Hiscocks is headed east to join the Trident Refit Facility in Kings Bay, GA. Both are facing dynamic times, and we particularly enjoyed and appreciated Master Chief Hiscocks' meaningful and responsive participation in Naval Submarine League activities.

It was a beautiful day on the waterfront as we met to say Hail and Farewell to Master Chiefs Hiscocks and Green.
